How can Airspace
Link help?

Introducing

AirHub® Voice Portal

Why :

People hate using their hands

People are always wondering what is going on outside

Cities hate talking to people

With phrases such as:

Can I fly at
<location> at
<time>?

With phrases such as:

Why are they
always
watching me?

With phrases such as:

Is that a star, eclipse, or drone?

Sprint Goal:

Add voice activated action to:

A: Determine if you are cleared to fly

OR

B: Report what drones are near my location
